Last Update: August 2025

REVOLUTIONISING THE WORLD OF DRINKWARE

Since 2004, Contigo, a Newell Brands business, has engineered high quality, innovative beverage carriers for discerning individuals to fit their ever-evolving lifestyles. Originating from an idea to eliminate the inevitable spills of traditional coffee mugs, Contigo designed one that sealed between sips and its patented AUTOSEAL™ technology was born.

Firmly focused on consumer-centric designs, the brand solves everyday consumer drinkware problems and has introduced multiple innovations including AUTOSPOUT™, SNAPSEAL™, and AUTOPOP™ technologies for effortless, leak-proof, one-handed operation, alongside its outstanding THERMALOCK™ vacuum insulation. Contigo® is renowned for its relentless commitment to quality, timeless designs.

Now a global market leader in branded, on-the-go drinkware, Contigo sells products in over 50 countries and across all retail channels. Its diverse portfolio of innovative and stylish designs appeal to an extremely loyal and rapidly expanding consumer base.

100% LIFE-PROOF

Your Contigo will
stand up to whatever
life throws at you

100% = highest
performance
Engineered to work

Using Contigo displaces
single use plastic bottles
and coffee-to go cups
from landfills

We have a fundamental belief that all of our products must solve a meaningful problem. Contigo water bottles and travel mugs have been designed to overcome the everyday hassles, inconveniences and micro-stresses of life.

Spills, leaks, stains, soggy school books, damaged devices, lukewarm coffee, not enough hands. Whatever life throws at you, Contigo is 100% ready. 100% LIFE-PROOF.

**100%
TRAVEL-PROOF**

**100%
DANCE-PROOF**

**100%
DIVA-PROOF**

**IT KNOWS
WHEN TO CLOSE**

Original. Patented. Ultimate Convenience.

Our AUTOSEAL™ technology is designed to save us from the inevitable spill. Drips and drops on your work shirt, your t-shirt, your laptop, or your notebook are a thing of the past. 100% spill-proof and leak-proof, it automatically seals between sips. Only requires one hand to operate and the easy-clean, one-piece lid cleans quicker than you can count to five.

How It Works:

Press the AUTOSEAL™ button to sip, release to seal.

- 100% spill & leak-proof
- One-handed operation with the push of a button
- One-piece lid: no loose parts to misplace
- Easy to clean (lid pops open for thorough cleaning)

AUTOSEAL™ Technology
Press to sip, release to seal.

contigo®

HYDRATION IN A HURRY WITHOUT LOSING A DROP

Pop, sip, and click.

It is easy with the Contigo AUTOPOP™ Water Bottle! With the pop of a button, the chug spout opens for convenient on-the-go one-handed drinking. The fast-flow wide spout is perfect for chugging when you need to hydrate in a hurry. When you're finished drinking, simply click the lid back into place to fully close and to protect against leaks, dirt, and grime.

One-handed leak-proof high flow drinking.

Our AUTOPOP™ technology helps you hydrate in a hurry without losing a drop.

- 100% leak-proof
- One-handed operation
- Protective spout cover to keep out dirt and grime.
- Easy to clean

AUTOPOP™ Water Bottle is leak-proof and has a button lock to prevent accidental spilling.

Convenient carry-handle for easy transport and protective lid cover to keep out dirt and grime.

**PRESS TO
REFRESH**

Push-button. Protected spout. Perfect on-the-go convenience.

AUTOSPOUT™ is hydration made easy. Simply push the button to flip up the spout. Open when you need it, covered when you don't. The spout cover keeps things clean so the dust and dirt of everyday life doesn't get in the way. It's as easy as that. Leak-proof for adults and spill-proof for kids. Don't let drips slow you down.

How It Works:

Just press the AUTOSPOUT™ button and the spout will automatically flip up.

- 100% spill* & leak-proof
- One-handed operation
- One-piece lid: Easy to clean
- Safe drinking (protection against dirt and grime)

* Kids AUTOSPOUT™ only

AUTOSPOUT™ Straw Technology
Easy one-handed operation with a pop-up spout

AUTOSPOUT™ Straw Technology
High-flow hydration at the press of a button

SNAPSEAL™ TECHNOLOGY

YOUR ON-THE-GO COMPANION

Snap to it. Simply superb.

Push up to open and down to close. It's that simple. Grab and go, this leak-proof technology is great for the office, the car, or even your holidays. A satisfying snap lets you know you're good to go. Only one hand is required to enjoy drinks at your perfect temperature. An added bonus: the drink's reservoir allows a hot beverage to cool for a moment if you prefer.

How It Works:

Just press the SNAPSEAL™ lever up and enjoy your drink.

- 100% leak-proof
- One-handed operation
- Easy to clean
- One-piece lid: no loose parts to misplace
- Unique reservoir spout delivers more flow control

VACUUM INSULATION LOCKS IN TEMPERATURES FOR HOURS

THERMALOCK™ Vacuum Insulation

Locks in temperatures for hours

Whether you're a fan of soothing hot drinks or crave an icy cold refreshment, THERMALOCK™ gives you control over your drink's temperature. The best in double-wall, vacuum insulation technology, drinks remain hot or cold for many hours*

Double-wall vacuum-insulated
18/8 stainless steel

*Temperature retention varies by product line and by size
